

Summary Notes from VBC Management Committee meeting, 8.mar.10

1. Green maintenance: JardimVista have been made aware that we are far from satisfied with their recent performance in maintaining our green, and have promised to do better. As we are approaching the end of our twelve month contract with them, we will monitor their performance closely over the next few weeks before deciding whether to renew. They have been asked to provide a visible log of when mowing is done, and we will discuss with them whether we need to close the green for bowling on prearranged dates to allow maintenance activity.
2. Gordon, Jeff and Jan will seek an early meeting with Jorge & Flor to review the whole relationship between the club and the restaurant.
3. It is hoped to reschedule the Spring Pairs event for Wednesday 31<sup>st</sup> March (depending on agreement with Jorge & Flor and with the Sponsor).
4. Thanks are due to John Denn & DJ for their hard work in tidying up the area under the pergola.
5. Presentation dinner for Club championships – this awaits agreement with Jorge & Flor.
6. Margaret has arranged for more flowers to be sent to Lesley Walker.
7. Tom has agreed to take over the managing of the rota for manning the club on Tuesdays and Thursdays.
8. A membership application from Gerry Jones was approved.
9. Next meeting is scheduled for Monday, 5<sup>th</sup> April.
