There has been a brilliant response by our members to our forthcoming touring teams. We are over subscribed in all games. There was discussion regarding the President's day as many people wish to play in both the morning and afternoon. It was agreed that the first twenty four names would be picked to play. There will need to be catering for one hundred and twenty four people. Sandwiches and cakes will be available all day with tea and coffee. Lady members will be asked to help. It is important that we make this a really special day.
